

Solution › OSS⁺

OSS⁺

Automated tax reporting for eCommerce
merchants via the European Union One-Stop
Shop (OSS)

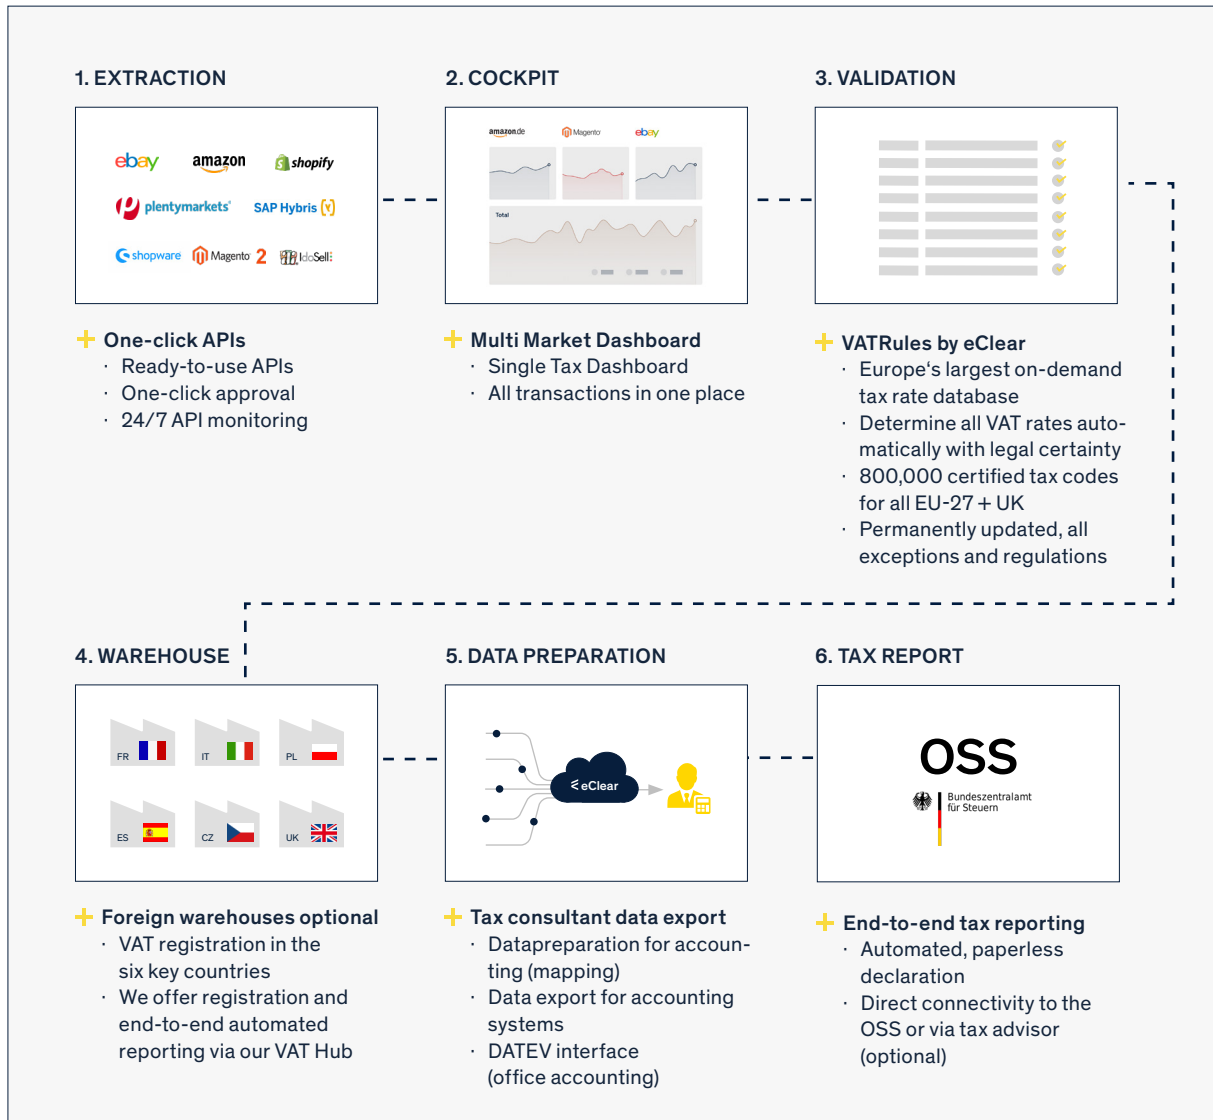

OSS⁺

OSS.eu

Full service – The comprehensive solution for your OSS connection

OSS⁺ manages the cloud-based extraction and preparation of your VAT-relevant data from any number of marketplaces and shops and automatically submits the declaration to the One-Stop Shop of the competent authority (in Germany: Federal Central Tax Office).

All in one – Your connection to the OSS

Customer reference

„You need the right EU tax rates – otherwise you will lose track and a lot of money. OSS⁺ includes VATRules. We also booked the FBA package for our foreign warehouses. Connection, calculation, reporting – it's all there. That makes daily business much more manageable“

Martin Walter,
Managing Director Woldoshop GmbH

High-performance end-to-end solution for eCommerce merchants

- + Tax-compliant application of the current VAT rates for all cross-border B2C transactions in the EU 27 (plus the UK)
- + Automated filing of the OSS declaration (from July 2021) via central tax dashboard
- + Automated extraction of your VAT-relevant data from various sources (e.g. marketplaces, shop systems) as well as tax statement preparation and processing
- + Plugins for ERP systems (integration for SAP R3/S4) and DATEV available
